For more than 100 years, GE has used its global presence and applied new technologies to create and better the consumer products on which we depend.

As an exclusive GE licensee, Jasco Products Company develops, markets, and distributes more than 2,000 GE branded consumer electronic accessories, computer accessories, home electric products, and home security/surveillance products. Jasco provides the brand people trust.

The bold, vibrant graphics, clear and simple easy-to-understand messages on the Jasco/GE packaging enhance the appearance and value of the products at the retail level.

Merchandising Jasco/GE products will increase sell through, provide increased margin opportunity, and inspire confidence and brand loyalty with your customers.

Jasco works hard to meet the needs of a culturally diverse marketplace; all Jasco/GE packaging features information and instructions in both English and Spanish.
